# Your invitation to partner with Australia’s premier housing event

The National Housing Conference (NHC) has been staged in partnership between state and territory governments and AHURI for 25 years. Convened every two years and attracting over 1,000 delegates, it is the largest housing conference in Australasia.

NHC returns in 2025 – to be held in Perth for the first time since 2015.

NHC is a 3-day forum where international and local evidence, best practice and policy come together to address system challenges and develop the future shape of housing in Australia. More than 1,350 delegates joined us in Brisbane for a memorable conference in October 2023. We look forward to a similarly highly engaged audience joining us at the Perth Convention and Exhibition Centre (PCEC) for NHC25.

**Why sponsor NHC25?**

NHC25 serves as a premier platform for your organisation to demonstrate its commitment to shaping an inclusive and sustainable housing system for all Australians.

By partnering with us, you’ll have the opportunity to engage with key decision-makers and influencers across the housing sector, fostering valuable connections and collaborations. Beyond sponsorship, our Networking and Exhibition Precinct provides a dynamic space to showcase your organisation’s expertise and solutions.

We offer a range of tailored partnership opportunities to support the conference, each designed to help you achieve your goals. Our team is dedicated to working with you to ensure NHC25 builds on its legacy. Join us in shaping the future of housing in Australia.

  
**Dr Michael Fotheringham**  
Managing Director

We have supported this event as a major sponsor for many years now and the relationships and opportunities that have been created and fostered through this event has been instrumental in Civica's success in the local Australian market.
